

FLOOK

You are the eponymous hero **HERONIMUS FLOOK**, budding megahero, and with your faithful companion **PEDRO THE FLEA** you must seek out and rescue the Elf, **VILE NARCILCRISIS**, who was captured and imprisoned in the Cell of Light by a megalomaniac called **ANGRALUSA THE WIZ** and his assistant **JOYCE THE PROFITABLE**.

You must venture forth into the Caves of Aldrak, through the Black Gate, Murky Marshes, Magdawouk and the Domain of Angralusa.

SEE OVER.

DEAR JOHN,

I HAVEN'T PLAYED ANY PD ADVENTURES YET SO I CAN'T
OFFER AN OPINION ON THE GAMES YOU MENTIONED. ONE OR TWO
PEOPLE HAVE TOLD ME THAT SOME OF THE GAMES BY SIMON AVERY
ARE GOOD AND I HAVE HEARD THAT "EVE OF SHADOWS" IS VERY
GOOD, BUT HAVE NO IDEA WHO WROTE IT. YOU WILL HAVE TO KEEP AN
EYE ON RA, I THINK THERE ARE TO BE SOME MORE PD REVIEWS,
BUT AM NOT SURE WHEN.

THANKS AGAIN FOR YOUR ORDERS,

BEST WISHES,

Joan.
