For details about how to perform System Software updates for the PlayStation®3 system, visit eu.playstation.com or refer to the PS3™ system's Quick Reference document.

PARENTAL CONTROL

This product has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PlayStation®3 system to restrict the playback of a product with a Parental Control Level that is higher than the level set on the PS3™ system. For more information, please refer to the PS3™ system Instruction Manual.

This product is classified according to the PEGI age rating system except where by law another age rating system applies. The rating and content descriptors are displayed on the product packaging. The relationship between that age rating and the Parental Control Level is as follows:

PARENTAL CONTROL LEVEL	AGE GROUP
9	Restricted to 18 and over
7	Not suitable for under 15 unless accompanied by an adult
5	Recommended for mature players
3	Parental guidance recommended
2	General

In rare cases, the Parental Control Level of this product may be higher than the age rating which applies in your country, because of differences in the age rating systems in the various countries in which this product is sold. You may need to reset the Parental Control Level on your PS3™ system to enable play.
