Challenge yourself with Spades, Hearts, Cribbage, and Gin Rummy. Try to clear the board in the classic solitaire games Klondike, Golf, Pyramid, and Four Free. And enjoy the quick games Old Maid, War, Go Fish, and Crazy Eights.

Playing Hoyle® Card Games

Starting a game

You can play games by yourself or with another person. There are two ways to play with another person: you can hand the Game Boy® Color back and forth between two players, or, if you have two copies of Hoyle Card Games

and a Game Boy® Color Game Link® Cable, you can play a linked game. To learn how to play a linked game, see the "Linked play" section at the end of this guide.

To start a new game:

- Select **New** from the Start Screen. Then, select **One Player** to play by yourself, or select **Two Player** to play with another person, handing the Game Boy Color back and forth. You'll then sign in and choose a game.

Note: All games except for Go Fish and Solitaire games can be played with two people using one Game Boy® Color. When it's your turn, a message appears ("Ready Amanda" means it's Amanda's turn, for instance). On your turn, press the **A** Button to play. When the message says it's the other player's turn, hand the Game Boy® Color system to that person.
