WARNING: READ BEFORE USING YOUR PLAYSTATION™ GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PlayStation™ DISC:

This compact disc is intended for use only with the PlayStation game console.

Do not bend it, crush it or submerge it in liquids.

Do not leave it in direct sunlight or near a radiator or other source of heat.

Be sure to take an occasional rest break during extended play.

Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.

Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

FIGHTING FORCE

It is a few years past the Millenium and Dr. Dex Zeng is infuriated. The former powerful government agent and scientist was so sure that the year 2000 would bring the Armageddon that he convinced his followers to help him prepare. When nothing happened, he had a plan to *make* it happen!

You are called in to help Dr. Zeng's former assistant, Snapper, and her team to fight his band's corruption and stop him from executing his plan to bring about the End of the World!

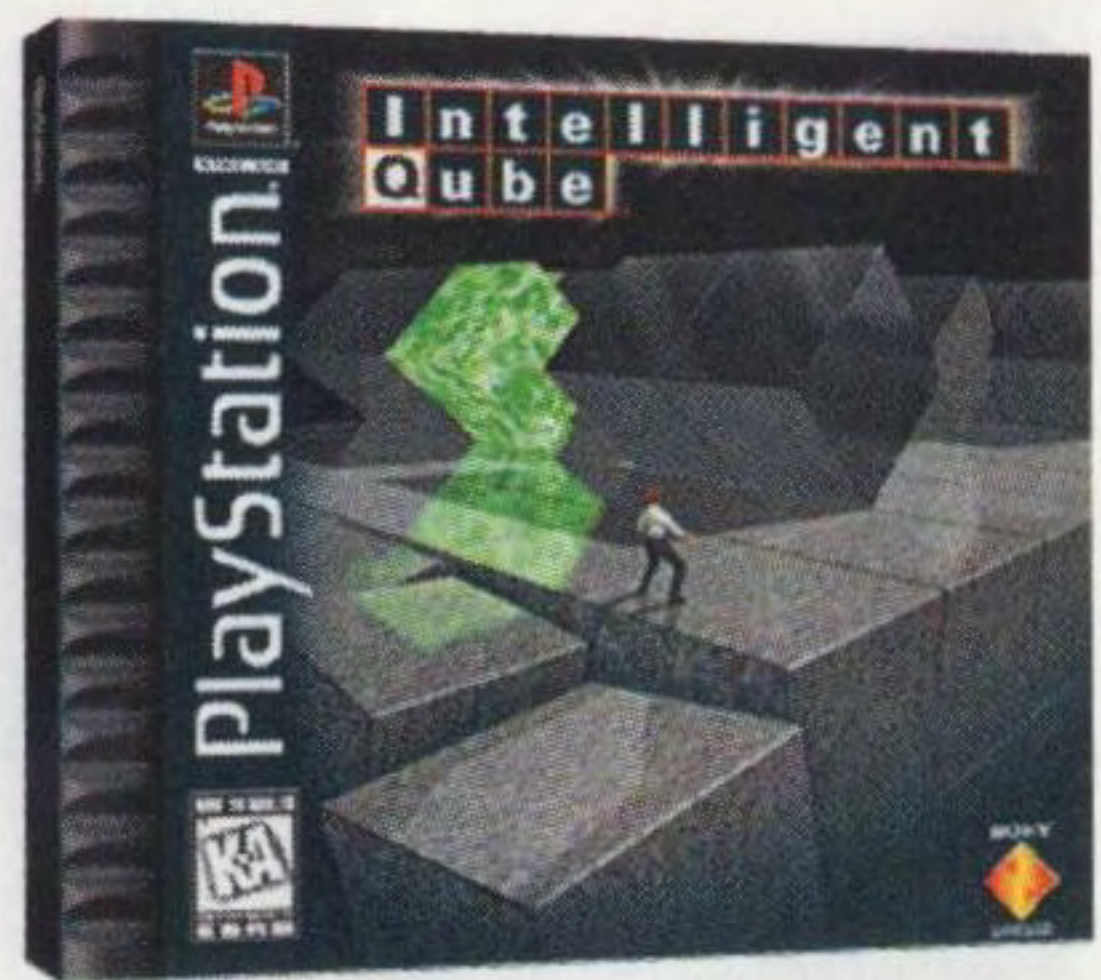

Intelligent Qube™

This addicting 3D brain game puts your strategic thinking and reflexes to the ultimate test as you try to master hundreds of challenging puzzles.

Destroy the oncoming geometric terrors before they push you over the edge or squash you flat.

You'll need a quick mind and even quicker thumbs – if you fail, you die. No pressure.

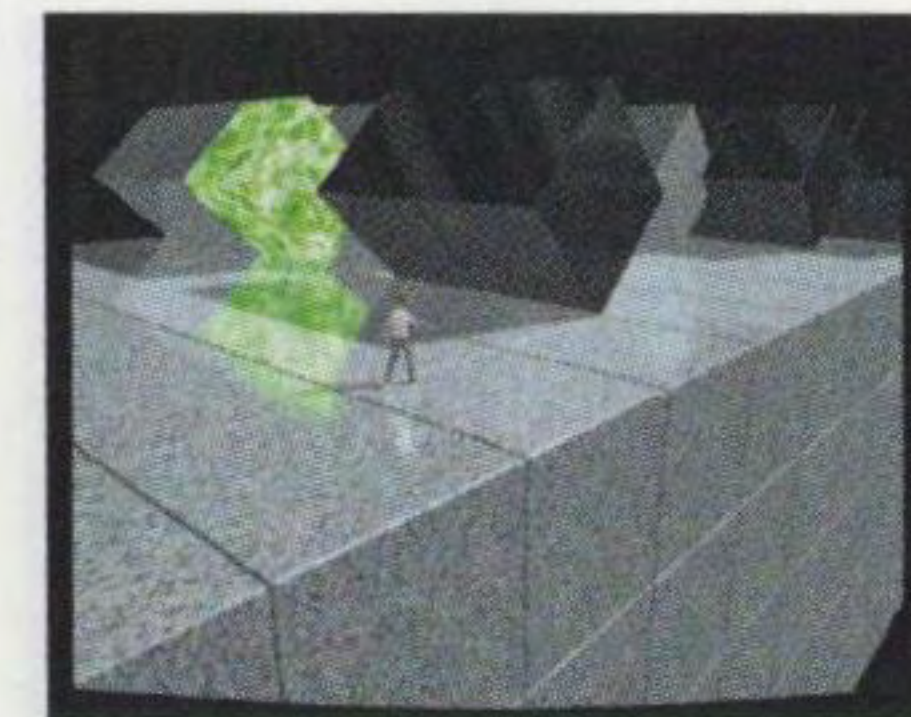

“...a gaming frenzy that challenges you.”
– *Game Informer*

NFL GAMEDAY™ 98

Tightrope the sidelines, high step, juke, stiff arm, dive over the pile, lead your receivers, and celebrate with 20 touchdown dances. Choose from 500 offensive and defensive plays.

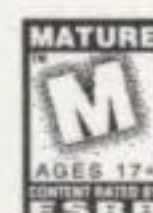

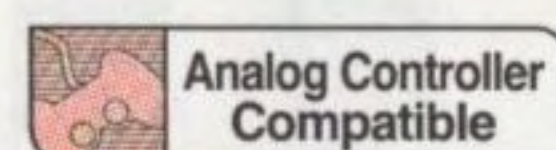

NFL GameDay '98 is the only true 3D polygonal football game on the PlayStation game console. What's all that techno-jargon really mean? It means NFL GameDay '98 delivers the most phenomenal graphics ever seen in a football game. No other football game made can even come close. From award winning gameplay and motion captured animations taken from All-Pro NFL players to the most sophisticated football Artificial Intelligence ever seen in a football video game, NFL GameDay '98 is truly the next huge jump in video gaming.

On London's blackest night in 1834, the secret Brotherhood of Hecate unleashes the most horrifying creatures the world has ever known. Two mysterious warriors face these monstrous beasts in a decisive battle that will determine the fate of millions. You'll solve puzzles, find clues, and use incredible weapons and moves.

Nightmare Creatures is a terrifyingly immersive 3D action-adventure game that combines the combat elements of top fighting games with the fully explorable environments of adventure games in the Gothic world of 19th Century London. Some call it "a bloody good time in jolly old London." You'll call it amazing.

3. D-pad to maneuver the Super Apache so the waypoint indicator is in the center of your compass.

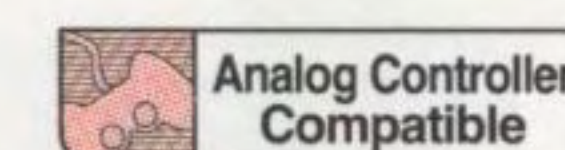

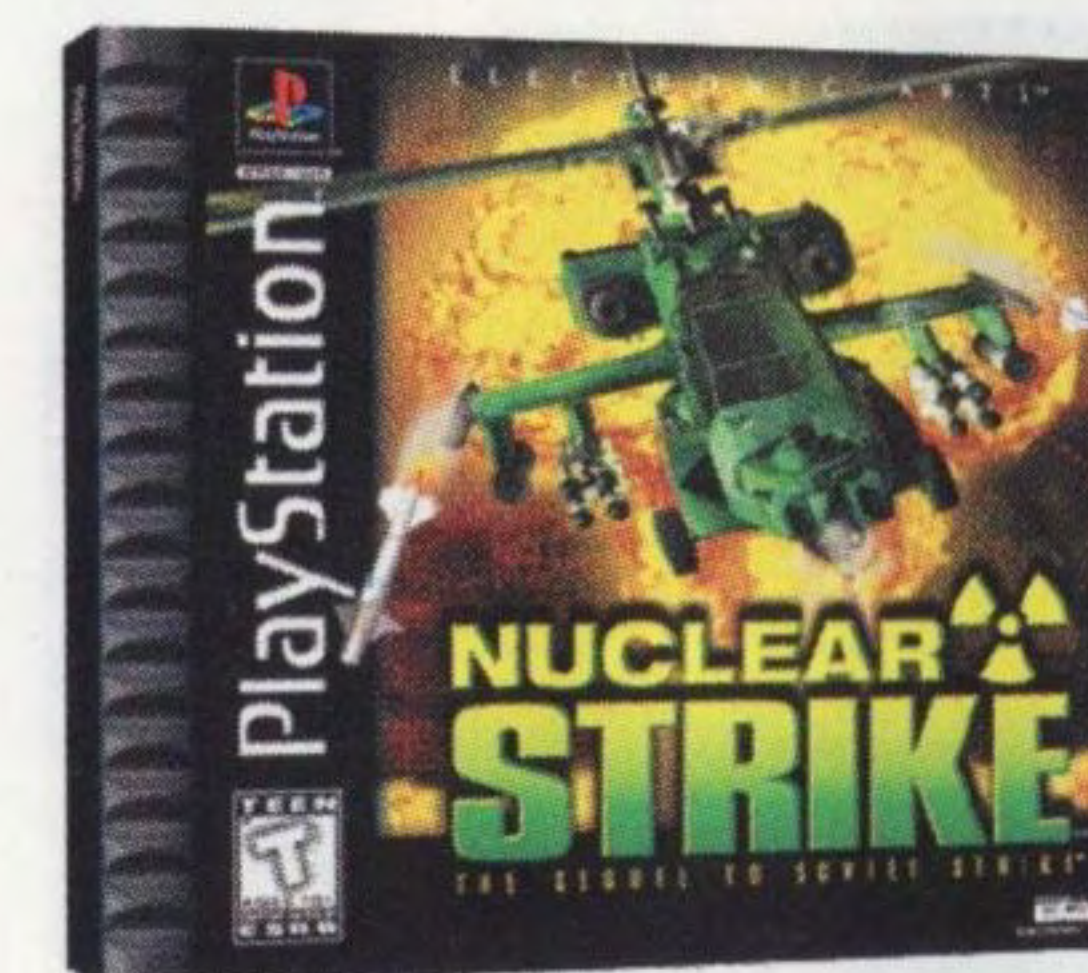

NUCLEAR STRIKE

THE SEQUEL TO SOVIET STRIKE

The stakes are higher than ever before as you must stop a major nuclear threat in EA's sequel to Soviet Strike. Once again, you are the commander of a covert military organization, and it's a race against time as you face nuclear terrorism that could trigger World War III.

With 13 new vehicles to control, richer artificial intelligence, improved pyrotechnics, more dynamic missions, enhanced 3D terrain, and faster, smoother gameplay, this is the ultimate Strike experience.

"A bold new move in creativity."
 — *Game Informer*

See what all the buzz is about with this totally innovative music video game.

Guaranteed you'll be singin' and dancin' along with Parappa and his gang to fun mixes of hip hop, reggae, house and funk.

"Sounds like nothing you've ever played before? That's why it's so good."

During gameplay, controller button icons will appear at the top of the game screen.

The master rapper will rap first. A picture of his or her head will run across the icons when he or she does a rap sequence.

After each sequence, as Parappa, you will have to imitate your master rapper by pushing the corresponding buttons when Parappa's head runs across the controller button icons at the top of the screen.

And don't forget to use rhythm!

Feel the rush as you push the world's hottest sports cars to the limit in six of the world's most beautiful locations. It's like Beauty versus the Beast as you race today's supercars against yesteryear's muscle cars.

You'll interact with the racing environment at a level never before seen as you battle with opposing racers while negotiating traffic – avoiding collisions and the long arm of the law.

You can count on Test Drive 4 to deliver an adrenaline-packed race.

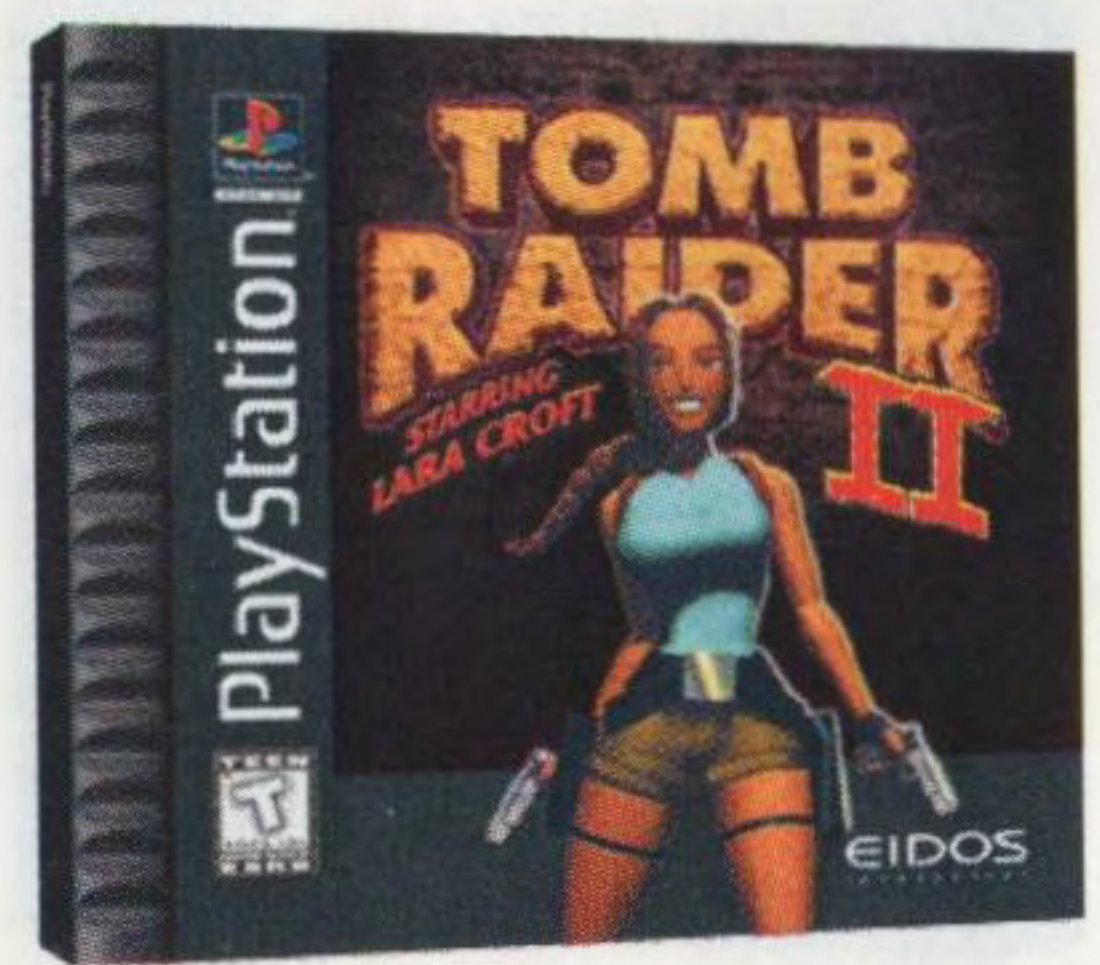

TOMB RAIDER STARRING LARA CROFT II

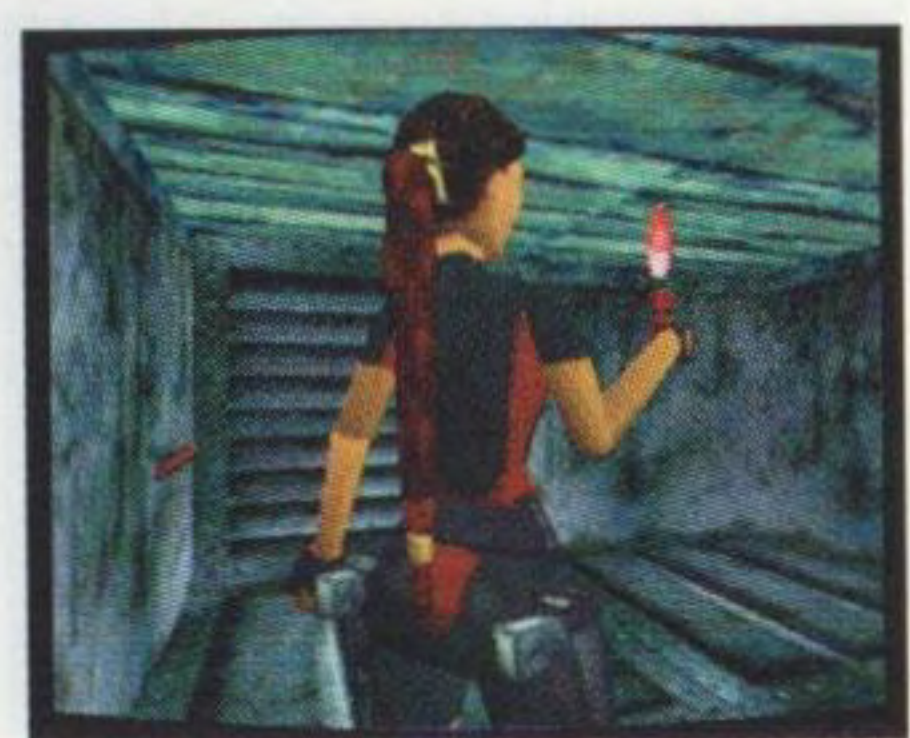

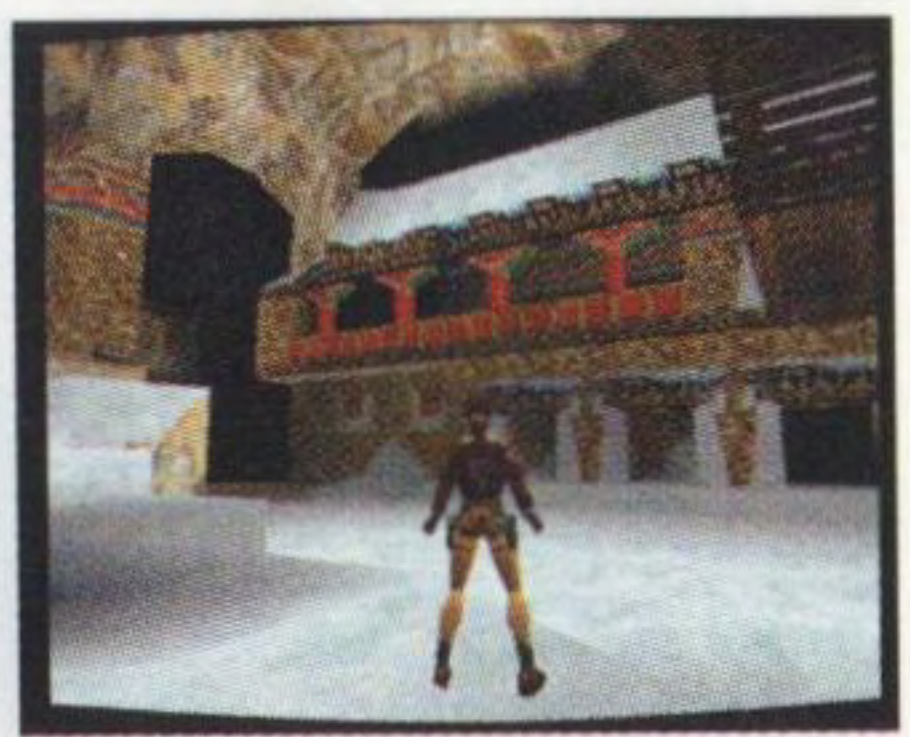

You wanted more action, you got it. Lara's back.

Legend has it that when you drive the dagger of Xian into your heart, you acquire the power of the dragon. Several parties covet the dagger – each for entirely different reasons. Legendary adventurer, Lara Croft, is one. And on her travels, she will encounter an army of enemies.

Lara's explorations begin at the Great Wall of China, the resting place of the Xian dagger, and take her to Venice, Tibet, and an underwater shipwreck in this all-new adventure that combines the classic gameplay of Tomb Raider with a slew of new features and improved elements. If you thought Lara was tough before, prepare to be impressed.
