▲ **WARNING: PHOTSENSITIVITY/EPILEPSY/SEIZURES**

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals.

These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. **IMMEDIATELY DISCONTINUE** use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- disorientation
- any involuntary movement or convulsion.
- altered vision
- loss of awareness
- seizures

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

NOTICE:

Use caution when using the DUALSHOCK®3 wireless controller motion sensor function. When using the DUALSHOCK®3 wireless controller motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PS3™ FORMAT DISC:

- Do not bend it, crush it or submerge it in liquids.
 - Do not leave it in direct sunlight or near a radiator or other source of heat.
 - Be sure to take an occasional rest break during extended play.
 - Keep this disc clean.
- Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

THE STORY SO FAR

Step into the *DC Universe™ Online* and witness the epic power struggle between good and evil, as heroes and villains do battle to seize control of a city in ruins. But as the fight reaches a crescendo, Earth's true enemy reveals itself and the need for a new legend grows even stronger.

In the future, all of Earth's heroes and villains are dead. Their endless, bloody conflict blinded them to the true threat: the planet-devouring alien intelligence **Brainiac**. As **Brainiac** amasses all of Earth's powers using his vicious Exobytes, finally only one man is left standing: the last son of Earth, **Lex Luthor**.

As **Brainiac** prepares to assimilate the data from the Exobytes, **Lex Luthor** makes a final, desperate attempt to save his planet. He steals the Exobytes and flees backwards through time. There he detonates the Exobytes in the atmosphere, blasting ordinary humans with ultra-condensed meta, magic and tech powers drained from Earth's own future.

With this new generation of super-powered heroes and villains, Earth now stands a chance against **Brainiac**. You can fight to save or enslave the Universe; the choice is yours ... the next legend is you!

Power Type

Your Power type determines what super skills and abilities you can get:

- ★ **Gadgets** and **Mental** are controlling powers
- ★ **Fire** and **Ice** are defensive powers
- ★ **Nature** and **Sorcery** are healing powers

Origin

Your Origin determines how you got your superpowers, and what more you can become:

- ★ **Magic** — like **Wonder Woman** or **Circe** — uses energies from beyond the known world.
- ★ **Meta** — like **Superman** or **Poison Ivy** — gains powers and skills through genetic gifts.
- ★ **Tech** — like **Batman** or **The Joker** — uses technology and gadgets to mirror the powers of a Meta or Magic origin.

THE NEXT LEGEND

To begin play, log into your account and enter the enclosed account key (which grants you 30 days of gameplay), along with a valid credit card. After your 30 days of gameplay expire, you will automatically be placed on a 1-month recurring subscription, billed to the credit card information you provided.

NOTE: The *DC Universe™ Online* disc must be inserted into the PS3™ system each time you play DCUO. The game will not run if the disc is not inserted.

Before you enter the game for the first time, you must create a character to play. You may create up to eight characters on your account.

At any time you may:

- ★ **ABORT** the creation process to return to the Character Select window.
- ★ Go **BACK** to the previous window (and change your choice there).

Select a world for your character. Then choose:

- ★ **Gender:** *Male or Female*
- ★ **Build:** *Small, Medium or Large*
- ★ **Template:** *Custom or Inspired By*

Gender, Build and Personality (below) affect your appearance, but not your stats or abilities.

CUSTOM

CUSTOM characters are created from scratch. Your choices include:

- ★ **Morality:** *Hero or Villain*
- ★ **Personality:** *Comical, Flirty, Powerful, Primal or Serious*
- ★ **Origin:** *Meta, Tech or Magic*
- ★ **Power:** *Fire, Gadgets, Ice, Mental, Nature or Sorcery*
- ★ **Movement:** *Flight, Acrobatics or Super-Speed*
- ★ **Weapon:** *Bow, Brawling, Dual Pistol, Dual Wield, Hand Blast, Martial Arts, One-Handed, Rifle, Staff or Two-Handed*

THE NEXT LEGEND

COSTUME

When you reach the Summary screen, you're ready to design your costume.

Your choices are:

- ★ **Body:** *Skin and Hair*
- ★ **Gear:** *Helmet, Face, Emblem (on your chest), Shirt, Back Slot (cape, backpack, etc.), Hands, Waist, Pants and Feet*
- ★ **Colors:** *Gear, Skin, Hair, Eyes and Makeup*

Each color choice has three sliders:

- ★ **Color** in the spectrum
- ★ **Intensity** (from intense to faint)
- ★ **Brightness** (from dark to bright)

When you've got the color you want, select **ACCEPT**.
If you decide not to change anything, select **CANCEL**.

Your *Gear Palette* has three colors — **primary**, **secondary** and **highlights**.

Once you've selected these three, you can *Customize Gear Colors* — selecting individual palettes for each gear location that you want to change.

INSPIRED BY

INSPIRED BY templates create a character like your favorite comic Hero or Villain. Templates include **Batman**, **Catwoman**, **Circe**, **Deathstroke**, **The Joker**, **Lex Luthor**, **Superman** and **Wonder Woman**. After selecting a template, you can customize your character any way you wish.

Feel free to create a new character inspired by any of your other favorite super heroes or villains. Check out all the options and create the DC-style character that you want to be.

PLAYING

Once you've created a character and select **SUBMIT**, you enter the tutorial. Here are a few reminders while playing:

- ★ Move with the Left Stick, using the Right Stick to look around.
- ★ In a fight, use your melee and ranged attacks, and use Abilities from your Ability Tray — **[L2]** or **[R2]** plus **[□]**, **[△]**, **[○]** or **[×]** — as needed. **[□]** triggers your basic melee attack, while **[△]** fires your ranged attack. Learn to use combos from hints in-game, and time your attacks to your best advantage.
- ★ When you're not in combat and want to cover ground quickly, press **[L3]** to shift into Movement Mode. Press it again to turn Movement Mode off.
- ★ Lock on a target by holding **[L1]**. Your crosshairs will stay focused on your target until you release **[L1]** or one of you drops.
- ★ Icons hanging in the air are useful signals, especially those over people:

 Quest (orange)	 Target to Protect	 Mail Terminal
 Future Quest (gray)	 Information	 Safe House
 Quest completion	 Vendor	 Entrance/Exit
 Interaction	 Banker	

Collectible items are marked with green, blue or yellow spheres.

- ★ If you're not sure what to do next, check your Case Journal (on the PDA). It opens to your most current quest. Close that page to check on any other active quests.
- ★ If you're not sure where to go, follow the large arrowhead on the edge of your mini-map. If there isn't a yellow X on your mini-map, continue in the direction the large arrowhead leads you until the yellow X appears. If you have no arrowhead, you may need to travel to the other city (Gotham or Metropolis). To make your way there, travel to a Safehouse and use the teleporter to the Watchtower or Hall of Doom. Once in the Watchtower or Hall of Doom, proceed to find a teleporter to the city you wish to travel to.

IMPORTANT TIPS FOR FIRST-TIME *DCUO* PLAYERS

- ★ Your PS3™ system must be connected to the Internet to play *DCUO*, even if you're playing solo. You must also have an active PlayStation® Network account and be logged into the PlayStation®Network.
- ★ There is no Pause. Pressing **START** displays your PDA (pages 11-12), but doesn't stop anything else in the game.

STATUS BAR

The *Status Bar* lists:

- ★ Your current tactic (the icon at the beginning of your name — Shield for defense, Lightning Bolt for offense, Spiral for control, and Heart for healing)
- ★ Your level (the number on the far right)
- ★ Your Health (green bar)
- ★ Your Endurance (blue bar)
- ★ Your Supercharge (red to yellow gradient bar)

Under the bars are a series of *Status Indicators*. They include:

MINI-MAP

You're the blue dot at the center.

Your current objective Yellow X
(If it's beyond the map, a yellow arrow-head on the outer ring points toward it.)

Ally (PC or NPC) Blue Dot

Enemy Red Dot

Enemy at an elevation Red "V"
significantly above or below you

Important item White Dot

Mail Terminal Blue Envelope

Vendor Blue, Green or Orange Bag

Exit Blue Door with Arrow

If there's a marker on the map, but you're not finding anything, it's probably above or below you — change levels.

TRAITS

As you play, you earn points that you can spend to develop **Traits**. Traits are divided into **Powers** and **Skills**. Use points to purchase enhancements or modifiers that increase your Traits' impact, intensity or level.

- ★ The Powers that you can develop depend on the initial Power that you chose during character creation. For example, the Gadget power develops Traps (such as Fear Gas and Thermite Mines) and Tricks (including Sleep Darts and Decoys).
- ★ Skills are either for **Weapons** or **Movement**.
- ★ Using an active Trait — an **Ability** — costs you *Endurance*. Endurance is the blue bar in your Status Bar (in the top left of your window). You recharge Endurance with regular fighting.

ABILITY TRAY

Each new Ability you get appears as an icon at the bottom of your screen in your **Ability Tray**. You can rearrange their order (using your PDA: Powers window).

- ★ Each Ability in your Ability Tray is marked with the controller combination that activates it and has a cooldown timer before it can be used again.
- ★ The seventh slot is for consumables.
- ★ The last slot is for a gadget.

- ★ The purple XP bar along the bottom of the tray indicates progress toward your next level.

PERSONAL DATA ASSISTANT

Press  to display your Personal Data Assistant (PDA).

Press  again to close your PDA.

From left to right, the PDA icons activate:

Inventory. Your inventory window displays all of the loot you've obtained and how it affects your character. The **Equipment** tab shows, and allows interaction with, wearable items, consumables and collectibles. The **Stats** tab shows your character's attributes and how strong they are. The **Currency** tab shows how much of each type of currency (PvP & PvE tokens, and Infamy or Influence) that you've earned.

Style. Want to get the stat benefits of the mightiest equipment but don't want to change how your character looks? No problem! Style allows you to override the look of your currently equipped gear with the appearance of any item that you've ever had equipped — regardless of whether that item is still in your inventory.

Case Journal. This displays all of the Missions that your character has discovered. Within this list, you can review each of your Missions in detail and close out completed Missions.

Traits. Pick the **Powers** and **Skills** that you get while playing *DCUO*. This shows their point cost, a brief description, and the order in which you can get them. You can build additional **Loadouts** from this window so that you can be ready to play your specific role on group missions.

Deeds. Look back at your accomplishments. The **Feats**, **Headlines** and **Renown** that you've earned are tracked here. Also, review your growing **Investigations**, **Briefs** and **Collections**.

PERSONAL DATA ASSISTANT

Map. View a map of your current location, review Metropolis and Gotham at both City and District levels, and check out your factional city (Hall of Doom or Watchtower). The map displays Points of Interest and other key locations and allows you to set temporary waypoints to these locations.

On Duty. Use this menu to queue for gameplay modes that require more than one player: **Arenas**, **Legends: PvP**, **Alerts**, **Raids** and **Duos**. Also, be sure to check out the **Vault** every day to score some cool, daily loot!

Social. Use **Advanced Chat** to text chat with other players or use the **Vivox Channel Controls** to adjust your voice chat settings. Find friends using **Social Selection** and adjust your **Group** options as well. Finally, the **League/Legion** window will allow you to create or manage your own DCUO League or Legion.

Marketplace. Enter the **Marketplace** to purchase premium items. Additional **Vault** tickets may be purchased here as well to get even more awesome loot!

Options. Adjust your **Settings** for the following options: **User Interface (UI)**, **Audio**, **Video**, **Voice** and **Key Bindings**. Use **Help** to contact Customer Service in-game, or use **Submit Feedback** if you just want to send in a note about something. **Switch Character** to switch to another character.

VAULTS

Vaults give you the chance to score potentially rare and hard to find items. All you have to do is smash away!

OTHER PLAYERS

Some missions can't be won by yourself without a group. If you don't know anyone else in the game:

- ★ Start talking to other players that you see in the safehouses — police stations (for heroes) and night clubs (for villains).
- ★ Sign up for an Alert (in the On Duty tab).
- ★ It won't take long for you to meet a few players that you'd like to group with again. Flag them as Friends and you can see if they're online the next time you're ready to play.

COMMUNICATING

- ★ **Voice chat with a headset.** Use the Options tab to set preferences.
- ★ If you're using a headset, stay friendly and follow our Customer Service Policies (see the Support link on page 19).
- ★ If you play without a headset, you can communicate with gestures (emotes) and chat (both available through the Social Window).

SOCIAL

Press  to display your Social window. This lists all characters (both player characters and NPCs) of the type you specify:

- ★ **Social Selection** lists all nearby player characters of the type you specify.
- ★ You may also chat with or view specific characters of other sorts: your current Group, your Friends, your Legion or League (an alliance of heroes or villains that you play with regularly), or everyone with you in a Raid.
- ★ The **Advanced Chat** window is a larger window, with tabs to manage both your channels and your conversations.

You understand and agree that if you violate the PSN Terms of Service and User Agreement, Sony Computer Entertainment America (herein, "SCEA") may suspend or terminate your PSN account, which may include any associated sub-accounts, and you may lose access to Game content and features for all such accounts. In the event of any conflicts between this Agreement and the PSN Terms of Service and User Agreement, the latter shall control.

3. To play the Game, you must (a) purchase or receive through an SOE-authorized promotional offer (such as an authentic Blu-Ray Disc bundled with a game magazine) either the Game Blu-Ray Disc (which includes software required for the Game) or applicable files which we may make available for direct download (the "Software"), and have all applicable or required hardware and peripherals to operate the Game (which we do not provide and which are sold separately), (b) have a fully paid and valid PSN Account in good standing, and (c) have an Internet connection (which we do not provide) to access your Account. In addition to any fees described herein, you are responsible for paying all applicable taxes (including those we are not required to collect) and for all hardware, software, service and other costs you incur to access your Account. Neither this Agreement nor your Account entitles you to any subsequent releases of the Software, nor to any expansion or adventure packs or similar ancillary products, without paying applicable charges. You understand that we may update or otherwise enhance the Software at any time and in doing so incur no obligation to furnish such updates to you pursuant to this Agreement. You understand that online games evolve over time and, accordingly, system requirements to play the Game may change over time and you may need to upgrade your current system (or obtain a new system) to play the Game.

4. We may amend this Agreement at any time in our sole discretion. Such amendments shall be effective whenever we make the notification available for your review.

5. The Game Software, whether purchased as a packaged good or online through the PSN and digitally downloaded to your PlayStation®3 system), any other Game-related content downloaded or made available, directly or indirectly, through the PSN, and any data associated with your PSN account are non-transferable.

7. We describe the fees and billing procedures at a hotlink located at www.dcuonline.com, which are incorporated by reference and are subject to change at any time. All fees are stated in U.S. Dollars unless otherwise specified. All fees are prepaid and non-refundable. All payments for Virtual Items are non-refundable; Virtual Items shall not be tradeable or transferable unless otherwise expressly agreed to in writing by SOE. Upon your acceptance of these terms, we or SCEA have the right to automatically charge your credit card, PlayStation wallet funds or other accepted form of payment the Account fee plus any applicable taxes we are required to collect, and you authorize us or SCEA to do so. Thereafter, each time your Account comes up for renewal, we have the right to charge your credit card (or other authorized payment method) the then-current renewal rate plus any applicable taxes we or SCEA are required to collect, and you authorize us or SCEA to do so. If we or SCEA are unable to process your credit card at a renewal period, your Account may be immediately terminated. If we make a Game Card available and you use a Game Card to pay for your Account, the Game Card shall activate your Account for the period stated on the Game Card and, thereafter, you will either need to provide a valid credit card or other authorized payment method (in which case your credit card or other authorized payment method will subsequently be charged as referenced above) or purchase another Game Card for subsequent subscription periods, or your Account will be closed. You may terminate

your Account at any time through the Account registration process. If you terminate your Account during your initial period of game-play that may be included with your purchase of the Game, if any, your Account will be closed at the end of such play-period and you will not be billed. If you terminate your Account during any subscription cycle, your Account will be closed at the end of the then-current cycle and you will not be billed again unless you affirmatively reopen the Account. We do not give full or partial refunds for subscription periods that you have purchased.

8. We may terminate this Agreement (including your Software license and your Account) and/or suspend your Account immediately and without notice: (i) if you violate any provision of this Agreement; (ii) infringe any third party intellectual property rights; (iii) if we are unable to verify or authenticate any information you provide to us; (iv) upon game play, chat or any player activity whatsoever which we, in our sole discretion, determine is inappropriate and/or in violation of the spirit of the Game; (v) upon any violation of the Station Terms of Service, PSN Terms of Service and User Agreement and/or the Game Rules of Conduct and/or (vi) upon any violation of the Exchange Agreement. If we terminate this Agreement or suspend your Account under these circumstances, you will lose access to your Account for the duration of the suspension and/or the balance of any prepaid period without any refund for the purchase price of the Game or any expansions, add-ons, products or services related to the Game that you may have purchased. You understand and agree that, for online Game features, servers are hosted by SOE and/or SCEA at their discretion and may be terminated or otherwise discontinued by SOE and/or SCEA in each of their sole discretion – and that such discontinuation will disable online Game functionality. We may also terminate this Agreement if we decide, in our sole discretion, to discontinue offering the Game, in which case we may provide you with a prorated refund of any prepaid amounts.

9. If SOE determines, in its sole discretion, to offer certain updates, add-ons or additional content to the Game to be purchased separately, you will be required to pay the applicable cost before accessing such content in accordance with the PSN Terms of Service and User Agreement. SOE and its designees are not responsible for the sale of any such software or Virtual Items that are purchased and downloaded through the PSN and therefore do not give full or partial refunds for any such purchases.

10. Subject to the terms of this Agreement, we hereby grant to you a non-exclusive, non-transferable, revocable license to use the Software solely in connection with playing the Game via an authorized and fully-paid Account. You may not copy (except to make one necessary back-up copy), distribute, sell, auction, rent, lease, loan, modify or create derivative works, adapt, translate, perform, display, sublicense or transfer all or any portion of the Software. You may not copy any of the written, digital or electronic materials accompanying the Software unless we expressly permit you to do so in writing, and then only to the extent permitted. You may not reverse engineer, disassemble or decompile the Software except to the extent that this restriction is expressly prohibited by applicable law. The Software may contain license management software that restricts your use of the Software.

11. We and our licensors and suppliers shall retain all rights, title and interest, including, without limitation, ownership of all intellectual property rights relating to or residing in the CD-ROM, the Software and the Game, all copies thereof, and all game character data in connection therewith. You acknowledge and agree that you have not and will not acquire or obtain any intellectual property or other rights, including any right of exploitation, of any kind in or to the CD-ROM, the Software or the Game, including, without limitation, in any artwork, music, character(s), item(s), coin(s) or other material or property, and/or any compilation or copyrightable arrangement of any of the above (collectively, “**Rights**”), and that all such property, material, items and Rights are exclusively owned by us – except solely as SOE may permit you to exploit Virtual Items in connection with Live Gamer Exchange.

12. You may not use any software to modify the Software to change Game play. You may not create, facilitate, host, link to or provide any other means through which the Game may be played by others, such as through server

emulators. You may not decrypt or modify any data transmitted between client and server and you may not use, post, host or distribute macros, "bots" or other programs which would allow unattended game play or which otherwise impact game play. You may not take any action which imposes an unreasonable or disproportionately large load on our infrastructure. Except in connection with Live Gamer Exchange and subject to all of the provisions of the Exchange Agreement, you may not buy, sell or auction (or host or facilitate the ability to allow others to buy, sell or auction) any Game account, characters, items, coin or copyrighted material or any other intellectual property owned or controlled by us or our licensors without first obtaining our express written permission.

13. You will be required to choose both a login name and a player name. While you are encouraged to use a pseudonym, especially if you are a minor, you may not pick a name that violates anyone's trademarks, publicity rights or other proprietary rights.

14. As part of your Account, you can upload content to our servers in various forms, such as in the selections you make for the Game, in-game posts and chat, and in chat rooms and similar user-to-user areas (collectively, your "**Content**"). Your Content shall not: (a) infringe any third party intellectual property, other proprietary or publicity/privacy rights; (b) violate any law, rule or regulation; (c) be defamatory, profane, obscene, child pornographic or harmful to minors; or (d) contain any viruses, trojan horses, worms, time bombs, cancelbots or other computer programming routines that are intended to or actually damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or personal information. We may take any action with respect to your Content if we believe it may create liability for us (or our licensors, licensees or suppliers) or may cause us to lose (in whole or in part) the services of our ISPs, licensors or other suppliers. You hereby grant to us a worldwide, perpetual, irrevocable, royalty-free, sublicenseable (through multiple tiers) right to exercise all rights of any kind or nature associated with your Content, including, without limitation, all intellectual property rights, and all ancillary and subsidiary rights thereto, in any languages and in any media now known or not currently known.

15. We cannot ensure that your private communications and other personally identifiable information will not be disclosed to third parties. For example, we, our designees or SCEA may be forced to disclose information to the government or third parties under certain circumstances, or third parties may unlawfully intercept or access transmissions or private communications. Additionally, we, our designees or SCEA can (and you authorize us, our designees or SCEA to) disclose any information about you to private entities, law enforcement or other government officials as each of us, in our sole discretion, believe necessary or appropriate to investigate or resolve possible problems or inquiries, or in exigent circumstances involving risk of harm to any person. You agree that we may communicate with you via telephone, email and any similar technology for any purpose relating to the Game, the Software and any services or software which may in the future be provided by us or on our behalf. Furthermore, if you request any technical support, you consent to our, our designees or SCEA's remote accessing and review of the PlayStation®3 computer entertainment system you load the Software onto for purposes of support and debugging. You may choose to visit www.dcuniverseonline.com, www.station.sony.com, or other SOE web sites if such web sites offer services such as a DC Universe Online game-themed chat room or other services of interest to you. You are subject to the terms and conditions, privacy customs and policies of SOE while on such web sites and in connection with use of your Account and the Game, which terms and conditions, policies and customs are incorporated herein by this reference. Since we do not control other web sites and/or privacy policies of third parties, different rules may apply to their use or disclosure of the personal information you disclose to others. Solely for the purpose of patching and updating the Game and/or Software and ensuring the integrity of the Game, you hereby grant us permission to (i) upload Game-related file information and data from the Game directory and (ii) download Game files and Game-related data to you. If you are not a resident of the United States, you nonetheless acknowledge and agree that we may transfer Game information (including, without limitation, your personally identifiable information and personal data)

to the United States or other countries or may share such information with our licensees and agents in connection with the Game. We, our agents, or SCEA may retrieve information about your hardware and software for authentication, copy protection, account blocking, system monitoring/diagnostics, rule enforcements, game management and other purposes. You acknowledge that any and all character data is stored and is resident on our servers, and any and all communications that you make either in the Game matching service or within the Game (including, but not limited to, messages solely directed at another player or group of players) traverse through servers run by us or SCEA, may or may not be monitored by us, or our agents, or SCEA but—in any event-- **you have no expectation of privacy in any such communications and expressly consent to such monitoring of communications you send and receive. You acknowledge and agree that we may transfer Game and your Account information (including your personally identifiable information and personal data) to the United States or other countries or may share such information with our licensees and agents in connection with the Game.** The Game may incorporate third party ad serving technology from third parties. This technology, if used by SOE and provided to you, enables certain advertising to be temporarily uploaded to your PlayStation®3 system and replaced in-game while connected to the Network. As part of that process, neither SOE nor the third party ad serving company collects any personally identifiable information about you and only temporarily logs select non-personally identifiable information (such as IP address). No logged information is used by such third parties to determine any personally identifiable information about you.

We are not liable for any delay or failure to perform resulting from any causes beyond our reasonable control. Further, we cannot and do not promise or ensure that you will be able to access your Account whenever you want, and there may be extended periods of time when you cannot access your Account or certain online features of the Game. You assume the entire risk as to the results and performance of the Software and the Game in connection with your hardware and software, and you assume the entire cost of all servicing, repair and/or correction of your hardware and software. You agree to indemnify, defend and hold harmless SOE, SOE's affiliated companies, licensors and suppliers, and all of their respective officers, directors, owners, agents, employees, information providers, affiliates, licensors, designees and licensees (collectively, "**Indemnified Parties**") from and against any and all liability and costs including, without limitation, attorneys' fees and costs, incurred by the Indemnified Parties in connection with any claim arising out of (i) any breach by you of this Agreement or the foregoing representations, warranties and covenants or (ii) your use of the Game, PlayStation®3 system, Blu-Ray Disc and any other hardware or software required or used to play the Game, including use of or access to the internet.

16. You shall comply with all applicable laws, rules and regulations regarding your use of the PlayStation®3 system, the Game, Software, Blu-Ray Disc, your access to your Account and your playing of the Game. Without limiting the foregoing, you may not download, use or otherwise export or re-export the Software except in full compliance with all applicable laws and regulations, including, without limitation, the laws of the United States. The Game may NOT be downloaded or otherwise exported or re-exported (i) into (or to a national or resident of) Cuba, Iraq, Libya, Sudan, North Korea, Iran, Syria, or any other country to which the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Deny Orders (including, but not limited to, the Denied Persons List). By downloading, installing and/or using the Game, you represent and warrant that you are not located in, under the control of, or a national or resident of any such country or on any such list.

17. This Agreement is governed in all respects by the laws of the State of California and of the United States of America as such laws are applied to agreements entered into and to be performed entirely within California between California residents. The UN Convention on Contracts for the International Sale of Goods is expressly disclaimed. Both parties submit to personal jurisdiction in California and further agree that any cause of action relating to this Agreement shall be brought in the County of San Diego, State of California (if under State law) or the Southern

District of California (if under federal law). If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be struck and the remaining provisions shall be enforced. Our failure to act with respect to a breach by you or others does not waive our right to act with respect to subsequent or similar breaches. You may not assign or transfer this Agreement or your rights hereunder, and any attempt to the contrary is void. This Agreement sets forth the entire understanding and agreement between us and you with respect to the subject matter hereof. Except as provided herein, this Agreement may not be amended except in a writing signed by both parties.
