WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

⚠ WARNING - Seizures

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions	**Eye or muscle twitching**	**Loss of awareness**
Altered vision	**Involuntary movements**	**Disorientation**

To reduce the likelihood of a seizure when playing video games:

1. Sit or stand as far from the screen as possible.
2. Play video games on the smallest available television screen.
3. Do not play if you are tired or need sleep.
4. Play in a well-lit room.
5. Take a 10 to 15 minute break every hour.

⚠WARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin irritation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

⚠WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

SCHOOL'S OUT!

As the old saying goes, the best surfer is the one having the most fun.

Awesome! The last school bell's rung and it's time for summer break. Team Rocket Power is ready to ride high on some choice waves but, as everybody runs for the surf, something has happened ...

Somebody's stolen the beach!

Instead of sand, there's a bunch of black rocks. Now there's no safe surfing and the Annual Ocean Shores Surf Classic has been canceled! With all the tourists leaving, the Shore Shack might be closed, causing the summer to be completely lame!

A mysterious businessman, Eric Golem Senior, and his new Golem Industries promise they'll fix everything. But the Rocket Power kids don't believe him. It's up to them to find out what's really going on.

TEAM ROCKET POWER

Otto Rocket

Extreme to the max, Otto thinks he's one of the best boarders in town. Can he solve the mystery of the Beach Bandits?

Otto is one of the two characters you can play in the game. He starts out with two ways of getting around - his board and walking. Each type of movement comes with a different attack. Skateboarding lets you do a jump kick or kick-flip.

Twister Rodriguez

Twister is Otto's good bud and not so bad on his scooter! He can cut it with the best of them. Between Twister and Otto, maybe they'll find out what happened to the beach!

Twister is the other character you can play in the game and you can switch with Otto at any time by pressing SELECT. Like Otto, Twister's got a couple of ways to get around. With his

scooter, Twister can do a jump kick like Otto or do a whirlwind tackle. If he's hoofing it around town, he's got a water pistol that gets them every time.

Reggie Rocket

In-line skating, skateboarding, or surfing - Reggie is the best there is and she knows it! You get to play Reggie on an ultra-secret level that takes place after the end of the game.

Sam 'Squid' Dullard

Though he lacks any kind of athletic skill, Sam's got the brains, bravery, and heart to be a part of Team Rocket Power. Find Sam for info throughout the game.

THE LOCALS

Here are a few of the folks you'll be running into at Ocean Shores:

Ray "Raymundo" Rocket & Tito Makani

These two buddies can usually be found around the Shore Shack, cooking up burgers or swapping surfing stories. They're a good source for finding out what's going on around town.

Eric Golem Senior & Eric Golem Junior

Eric Golem Sr. may be the model of a good citizen but his son's a brat. Can anyone with a kid so rotten be that good? Team Rocket Power doesn't think so and they're going to find out what's really going on at Golem Industries.

THE LOCALS

Lars Rodriguez

Twister's older brother Lars is always up to no good but he wants the beach back as bad as anyone. With that in mind, he can be persuaded to give up some good info ...

Conroy Blanc

Teacher by day, skater by night, Mr. B is the owner of Madtown Skate Park. He'll know what to do next, won't he?

Eddie, Prince of the Netherworld

Mysterious, crazy, creepy Eddie, Prince of the Netherworld, lurks about Ocean Shores dispensing dark secrets to those who would dare listen to him.

THE LOCALS

Officer Shirley

Officer Shirley keeps the peace and right now there's very little of it! Everyone's upset about losing the beach but who knows what to do? Officer Shirley will keep you straight and guide you with some info if you're good.

Mackenzie Benders

Mackenzie is a five-year-old handful who knows what she wants ... and if she needs you to get it, you'd better do it fast before she gets angry!

The Robots

Golem Industries has a wide variety of robots designed especially to aid you! Well ... not really. These machines seem to only have one goal in mind - to mess up your plans! These things don't want you finding out the truth behind the Beach Bandits, so you're going to have to make your way through a bunch of robots to get some answers.

ITEMS

Man, half the action is in the accessories! Here's the stuff you can pick up during the game:

Movement Power-ups

Most of these super-cool items come to you after you beat Eric Golem at all of his games at Golem's Arcade. Beat his challenge and you, too, can get great things like these:

Hover Scooter

Twister gets the ultimate in tech-scooters. If you hold down the jump button while Twister's in mid-air, he can hang there for about five seconds.

Grappling Hook

The grappling hook is something for both Otto and Twister to use. Like any good hook, it's used to climb really tall places you normally can't get to.

ITEMS

Rocket Board

It's Otto's turn to get a cool upgrade as his board gets replaced by a Rocket Board! Otto gets super-speed and a wicked forward thrust. Gotta worry about overshooting your target, though, so be careful!

Special Items

Water Pistol

Here's Twister's default gadget. Not a bad little water pistol and works great against bad guys!

Oil

There's nothing like a little oil in your water pistol! It helps you stun bad guys or move boxes. Always good to have around for those little emergencies!

ITEMS

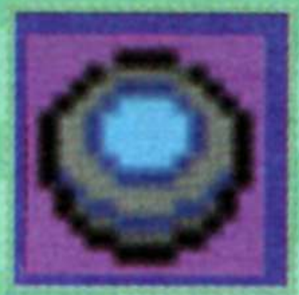

Hockey Puck

When Otto's walking, he gets the fun job of stopping bad guys with hockey pucks.

Ricochet Hockey Puck

This amusing little power-up gets your hockey pucks to ricochet, which means they can bounce off of walls, buttons ... you get the idea.

3-Way Spread Hockey Puck

This three-way spread can be aimed at one creature for three times the damage or spread out to get a number of enemies.

Homing Hockey Puck

Time for a serious upgrade. Your hockey pucks have just become heat-seeking!

ITEMS

Health Power-ups

Burrito

Yep. It's the goodness of burritos. And if you eat one, a quarter of your health bar is restored.

Energy Shake

Energy shakes give you that extra boost! Watch your health bar shoot up 50%!

Yellow Rockets

For every 20 rockets you collect, you get an extra life. Rocket Power Extreme!

OCEAN SHORES

"The ancient Hawaiians say 'Sometimes a bird sings. Sometimes it coughs up a worm.'"

Hometown, hangout, ultra cool entertainment zone - Ocean Shores is the place to be. At least it was before somebody stole the beach!

Ocean Shores is the place you'll come back to a few times during the game. And whenever you do, there'll be new things to see, new hazards to overcome and new challenges for the team supreme!

Shore Shack

Home of the best burgers on the boardwalk and starting point for Team Rocket Power, you'll find Tito and Ray here, always ready with some good advice.

Tip: You can interact with other characters by pushing the B Button.

OCEAN SHORES

Golem Arcade

It's supposed to be the new cool place on Ocean Shores - but instead it's run by the lamo Eric Golem Jr.! Are you ready to take him up on his challenge? Enter the Golem Arcade and race against Eric in a number of mini-games. Fair warning, though - Eric says he always wins.

Madtown Skatepark

Madtown Skatepark looks like the perfect spot to meet up with other people and find out some more information about what's going on. Of course, you might have to help out with some robot problems too...

Tip: You can switch between Otto and Twister by pressing SELECT.

Town Area

It's the spot to find Officer Shirley, the long arm of the law!

Tip: You can change between walking and skating by pressing the L Button.

OCEAN SHORES

THE LAKES

"The seagull that flies a crooked path has a tough time getting home."

So you've skated around town and collected some evidence. Where does the evidence lead? To the lakes! Golem Industries is pumping them dry and ruining them so they've got to be up to something. Where are they taking all that water?

Find your way through the forest, stop Golem Industries' activities at the lake and defeat the ferocious Barramundi!

OCEAN SHORES

THE ROBOT FACTORY

"This reminds me of an old Hawaiian fable - the two sand crabs and the coconut milk. Uh - actually it's nothing like this. Forget I said anything."

The lakes have been saved and now Team Rocket Power has found the secret entrance into Golem Industries' ultra-secret robot factory! Now they have to sneak past energy fields, security robots, and more to search for more clues. Oh man! It's Cyrax, the supercomputer that runs the Robot Factory. Your mission is to shut Cyrax down!

OCEAN SHORES

MONDO MOUNTAIN

"The ancient Hawaiians have a saying. 'He who carves himself in stone has rocks in his head.'"

Cyrax may be dismantled but the danger isn't over. Who's really behind this robot menace? It looks like the real mystery continues at Mondo Mountain. Using the grappling hook, Twister and Otto have to climb up the mountain, avoiding a number of pesky bots to get inside a secret lair complete with lava and nastier bots. There they get to face the ultimate challenge and the mastermind behind it all ... or do they?

OCEAN SHORES

FINAL STAGE

"The ancient Hawaiians say, just because you can afford the modern longboard doesn't mean you can honor the moving water."

Can you figure out who's really behind the theft of Ocean Shores' beach? Will you be able to defeat the villain and recover the beach in time for the Annual Ocean Shores Surfing Contest?

Join Otto and Twister on this final level and all of your questions will be answered!

BONUS LEVEL

ROCKING WITH REGGIE

Have you thoroughly finished the game? Have you beaten all of Eric Golem Junior's High Scores in the Arcade? Then let's play a secret level with Reggie! Reggie has just gotten a newly acquired rocket pack and Hockey Puck launcher. She's going to be flying high above Ocean Shores, hopefully with your help, making quick work of Air Minions, Hover Bots and the new Turbine Robot. Are you ready to be extreme?
