Introduction

If it's all about rainbows it must be about RAINBOW DASH. And it is. She loves this time of year when Ponyville and Breezie Blossom are all about celebrating rainbows.

Meanwhile in a new magical place called Unicornia, RARITY THE UNICORN is being taught how to be a Unicorn Princess and the importance of making the first rainbow of the season. But she is quite a little rascal and embarks on an incredible ride that includes a magic wand, falling through the clouds right into the middle of Breezie Blossom, a visit to Ponyville, meeting SPIKE THE DRAGON and a huge adventure (with lots of mishaps) as she tries to get back to Unicornia.

RARITY THE UNICORN soon realizes that getting home in time to create the first rainbow of season is not an easy thing to do --- but it is fun!

Rarity's Adventure

All of Unicornia is getting ready for the Rainbow Celebration. Rarity has been selected as the Princess for this year's celebration and she is responsible for helping to make the first Rainbows of the season.

Your adventure begins in Unicornia where Rarity is learning to be a Princess and how to make the Rainbow. You can help her learn to use her magic wand, clean the Crystal Carriage with the other Unicorns or play with her little caterpillar friend. But Rarity does not always listen and soon she finds herself lost in a land outside of her home....

Rarity has transported herself to Breezie Blossom and there she meets all sorts of new friends. The Breezies are more than happy to help Rarity find her way home and Rarity is happy to help the Breezies. She hunts for the things they need for the trip and gathers rainbowberries for everyone.

The Breezies think the Ponies might be able to help and so the whole gang sets off for Ponyville. Rarity is worried that unless she can find her way back to the Crystal Dome in Unicornia, the Rainbow for the season might not happen. The Ponies think they can get their friend Spike to help them find Unicornia and take Rarity back home. But they soon discover that Rarity likes to have fun and to eat... she learns to skate, make kites and makes a fabulous ice cream sundae.

The Ponies and Breezies decide that they should take Rarity back home. Their journey starts across the mountains. The trip is full of adventure and discovery... and leads to Rarity finally finding her Unicorn friends... and just in time. Rarity calls the Crystal Carriage to take them back to Unicornia. Will they make it in time to save the Rainbow Celebration and make the first rainbow of the season? You will just have to play Runaway Rainbow and find out for yourself.

Princess Gallery

You can help Rarity collect jewels for her Princess Gallery. As you play through Rarity's Adventure, when you finish a chapter or a level of a mini game, a new jewel will appear in the Princess Gallery. See if you can collect them all!! You can check what jewels you have collected from the main game menu.
