INSTRUCTION BOOKLET

ACTIVISION
Vimm's Lair

PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.

WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, and this may occur while they are watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch their children play video games. Stop playing and consult a doctor if you or your child has any of the following symptoms:

**Convulsions
Altered vision**

**Eye or muscle twitching
Involuntary movements**

**Loss of awareness
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
 1. Sit or stand as far from the screen as possible.
 2. Play video games on the smallest available television screen.
 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.
 5. Take a 10 to 15 minute break every hour.

WARNING - Radio Frequency Interference

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- When using the stylus, you do not need to grip it tightly or press it hard against the screen. Doing so may cause fatigue or discomfort.
- If your hands, wrists, arms or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomfort during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

Important Legal Information

This Nintendo game is not designed for use with any unauthorized device. Use of any such device will invalidate your Nintendo product warranty. Copying of any Nintendo game is illegal and is strictly prohibited by domestic and international intellectual property laws. CONTROLS

GAMEPLAY CONTROLS

When you begin the game, all control will be performed by using a stylus on the Touch Screen of the Nintendo DS. To interact with Moshlings or items, simply tap on them.

GETTING STARTED

Make sure the Nintendo DS™ is turned off first. Next insert Moshi Monsters™: Moshling Zoo game until it clicks into place.

Read the information on the start-up screen and then tap the Touch Screen to continue to the Nintendo DS Menu Screen.

On the Nintendo DS Menu Screen, tap the Moshi Monsters™ panel to begin the game. If your Nintendo DS system has been set to Auto Mode, the Nintendo DS Menu Screen will not appear and you may skip this step.

SAVING

This game will save automatically as you progress. The saved profile of your Moshling Zoo, awards and achievements is updated as you play.

If for some reason you want to start over, you may delete your save data by going to the main menu, pressing Options and then tapping the button labeled Erase Save Data. Please be aware that there is no way to undo this action - deleting a saved profile is permanent.

PLAYING

Welcome

Well, hello, friend! Name's Buster Bumblechops. Welcome to Moshi Monsters™: Moshling Zoo!

The world of Moshi Monsters is a zany and magical place, so you should fit right in with all the tomfoolery round here. This is the world of Moshi Monsters, but you'll mainly be working with their pets, the Moshlings. They are cute, small and in desperate need of roundin' up. That's why

you're here! You're going to be the new Caretaker of the Zoo!

We need to adopt some Moshlings and start fancy-fying their digs. That will make more Moshlings and visitors want to come! If we work hard I just know this can be the biggest, bustling-est zoo the world has ever seen!

TRAVEL

Just use the map button to get from one part of the world to another. The zoo is where the Moshlings live, and it's right in the middle of the map.

ADOPTING MOSHLINGS

One of the main jobs for our zookeeper will be getting all 52 of those pesky Moshlings to join the zoo. The Moshlings are all hiding somewhere out in the Wilderness and you will have to solve puzzles to convince them to be adopted into the zoo.

Colonel Catcher will give you clues, so if you really pay attention you can find a way to adopt all of them. Your Monstropedia book will record information about each Moshling you come across, and if'n you get stuck, you just tap the Mosh-Ray hint buttons on the left side of the screen, or give the Monstropedia a look by pressing its button on the top right.

MOSHLING CARE

The Moshlings need lots of love and attention! When you tap a Moshling, there are several games you can play. If Moshlings are hungry, you can provide some food from your inventory.

You can also clean them up in the Rubbadub pool with a wash, scrub and rinse. Be sure to take care of unhappy Moshlings promptly, or they will become very unhappy and no one likes to see a cute critter unhappy.

BABY MOSHLINGS

Every Moshling species has an adult and a baby that you can collect. If you find an egg, it will go right to the Buster's Baby Care in your Zoo. When it's ready, it will hatch and then you have a new baby Moshling you can take care of!

UPGRADES

And make sure you upgrade the Moshling's Zoo areas at Bjorn's Konstruktion shop in Monstro City!

You can also add purty decorations from Yukea. **Let's get going!**

CONTESTS AND AWARDS

The Ulti-Moshling Contest is the culmination of your Moshling-training endeavors. You can choose one Moshling at a time to compete with other Moshlings from across the Moshi world. Your Moshling will play in three games that test its speed, mind and culinary skills.

You can win a gold trophy for every Moshling species, so keep competing until you win 'em all!
