FIDGET

Gameplay

There are nineteen levels or courses, points are scored by using the lifts, destroying the hooper and the nose also the faster a course is completed the more time and points are scored.

Scoring

Lifts – **5 points;** Hooper – **60 points;** Nose – **40 points.**

Loading Instructions

Connect cassette unit as per user manual; disconnect all other peripherals. Rewind cassette on label side. Turn off the computer. Hold down the **START** key (on XL and XE machines hold down **START** and **OPTION**) and then turn on the computer. When you hear the buzz, release the keys. Press **PLAY** on the cassette player and press **RETURN** on the keyboard. The tape will load and run.
