Pyramid • Yukon • Spider
...and 95 more games!

INSTRUCTION BOOKLET

TELEGAMES®

NINTENDO DS™

PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.

WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

**Convulsions
Altered vision**

**Eye or muscle twitching
Involuntary movements**

**Loss of awareness
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
 1. Sit or stand as far from the screen as possible.
 2. Play video games on the smallest available television screen.
 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.
 5. Take a 10 to 15 minute break every hour.

WARNING - Radio Frequency Interference

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- When using the stylus, you do not need to grip it tightly or press it hard against the screen. Doing so may cause fatigue or discomfort.
- If your hands, wrists, arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists, arms or eyes during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

Important Legal Information

This Nintendo game is not designed for use with any unauthorized device. Use of any such device will invalidate your Nintendo product warranty. Copying of any Nintendo game is illegal and is strictly prohibited by domestic and international intellectual property laws. "Back-up" or "archival" copies are not authorized and are not necessary to protect your software. Violators will be prosecuted.

REV-E

The official seal is your assurance that this product is licensed or manufactured by Nintendo. Always look for this seal when buying video game systems, accessories, games and related products.

Nintendo does not license the sale or use of products without the Official Nintendo Seal.

THIS GAME CARD WILL WORK ONLY WITH THE NINTENDO DS™ VIDEO GAME SYSTEM.

Wireless DS
Single-Cord
Download Play

THIS GAME ALLOWS WIRELESS MULTIPLAYER GAMES DOWNLOADED FROM ONE GAME CARD.

CAUTION - Stylus Use

To avoid fatigue and discomfort when using the stylus, do not grip it tightly or press it hard against the screen. Keep your fingers, hand, wrist and arm relaxed. Long, steady, gentle strokes work just as well as many short, hard strokes.

During wireless game play, if communication seems to be affected by other electronic devices, move to another location or turn off the interfering device. You may need to reset the power on the Nintendo DS and start the game again.

LICENSED BY

Controls

Navigate and scroll initial game selection menus using the +Control Pad or Touch Screen.

The A Button selects a menu option. The B Button returns to any previous menu. When in a game, use the Touch Screen to select or de-select items. The game can be paused or un-paused by pressing START or the Icon on the bottom left corner of the Touch Screen. During pause, use the +Control Pad or Touch Screen to select the menu options.

Press SELECT or the Icon on the bottom right corner of the Touch Screen to view one of the two top screen information windows. You can view information about the selected game and the button settings. Press SELECT or the Icon to turn off the information.

Starting a Game

Select "All games", "Family", or "Sort by" from the main menu screen to see all games sorted appropriately. Use the stylus to select an item on the Touch Screen or press the L Button and R Button to cycle through the list. Use the stylus on the Touch Screen to draw a line up or down the middle area to scroll as quickly as you draw. Touch the screen again to stop scrolling. You can also use the +Control Pad to scroll through the list. It is also possible to navigate by touching the scrollbar on the right side of the list of games.

All Games allow you to select all 101 Solitaire games from one list.

Family group the games in 10 Solitaire families (Klondike, FreeCell, Spider, Baker's Dozen, Belegard Castle, Forty Thieves, Canfield, Four Seasons, Fan and Other).

Sort by sort the games by Times played, Times won, Time (of an average game), Skill (required to finish a game) and Chance (of winning a game).

Options adjust music and sound effects, create a music playlist, view game credits, change font settings (not required for most DS screens), erase your saved game, reset game stats and restore default option settings.

Playing The Game

Once you have selected your Solitaire game, you can start it. A clock on the bottom left of the top screen will show how long your game is running. The top screen will also show your scores (bottom center) and the number of moves you have played (bottom right side).

The Touch Screen displays your current cards. In general, you touch a card to select it and to move it around. This way you can drag the card(s) to your wanted position and release it. It is also possible to use the +Control Pad to navigate a pointer (shown as a hand) on the screen. Press the A Button to select a card (or stack) and use the +Control Pad to move it around. Pressing the B Button will de-select the card.

If the move is not possible, the card will snap back to its original position. In several Solitaire games, it is possible that not all cards can be displayed on the Touch Screen. In this case, a zoom icon will be displayed on long card stacks. You will be able to zoom into the long card column to view all of the cards.

Undo and Redo moves can be undone or redone by using the undo/redo icons on the top far left and right of the Touch Screen. You can also redo a move by pressing the X Button. You can undo a move by pressing the Y Button.

Auto-Move There are three ways to activate the auto-move function when you need help in finding a valid solution. If allowable, the function will automatically move a card to a foundation:

1. Press the L Button or R Button while touching a card with the stylus.
2. Double-click (tap twice) a card with the stylus.
3. Use the +Control Pad to position the 'hand' over a card and press the B Button.

Menu Options press START to access the Pause menu. The following options are now available:

Game

- New Game – start a new game with new cards.
- Restart – start the game over again with the current cards.
- Save – save the current game.
- Game Copy – use DS Wireless to start the Game Copy process.
- Quit – quit the game and return to the first game selection menu.

Preferences

- **Music Volume** - change the volume of the music and/or sfx.
- **Playlist** - select a music track or play them in shuffle (random), continuous (linear) or repeat mode.
- **Background** - choose between pictures or gradients to display on both screens.
- **Card Back** - select the design of the back of the cards.

Options

- **Options** - change the rules of some games to create your preferred variation. Not available for all games.
- **Animation** - switch the card dealing animation ON or OFF.
- **How to Play** - instructions for playing your selected game of Solitaire.

Saving And Loading You can save your game at any time. The saved game is listed in the main menu under "All Games" as the first item under "Continue Game". This way you can pause a game at any time and return to it later to continue playing.

"Game Copy" Feature

With only one Game Card, you can wirelessly download any Solitaire game to another DS for friends to play on their own. The download version is a complete game, however, some of the features and/or options may not be available. The download game "erases" whenever that DS is turned off.

Notes

TELEGAMES, INC. WARRANTY

TELEGAMES, INC. warrants to the original purchaser of this TELEGAMES software product that the medium on which this computer program is recorded is free from defects in material and workmanship for a period of ninety (90) days from the date of purchase. The TELEGAMES software program is sold "AS IS" and without any expressed or implied warranty of any kind, and TELEGAMES, INC. agrees to either repair or replace, at its option, free of charge, the noncomplying TELEGAMES software products provided it is returned by the original purchaser, postage paid, with original proof of purchase, to the Warranty Return Center.

TO RECEIVE THIS REMEDY:

1. DO NOT return your defective TELEGAMES software product to the retailer.
2. Send the defective product via registered mail, along with original receipt as proof of purchase to: Warranty Return Center, c/o TELEGAMES, INC., Box 1448, Mabank, TX 75147-1448. Tel: (903)887-4100.

When you write to us, please provide us with your phone number and brief explanation of what appears to be wrong with the product. The remedy provided above is your exclusive remedy if the TELEGAMES software product does not comply with this Limited Warranty.

This warranty shall not be applicable and shall be void if the defect in the TELEGAMES software product has arisen through abuse, unreasonable use, mistreatment, neglect or reasonable wear and tear. IN THIS WARRANTY ARE OBLIGATIONS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE TELEGAMES, INC. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT SHALL SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULT FROM POSSESSION, USE OR MALFUNCTION OF THE TELEGAMES SOFTWARE PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This limited warranty gives you specific legal rights, and you may also have other legal rights, which may vary from state to state.
