Liquid Books 3— *Far-Fetched Frontier Tales*

Far-Fetched Frontier Tales is the story of Adelita, an adventurous girl who loves to travel across the frontiers of North America with her bear companion, Bo. Your child will interact with this story by choosing actions and settings for the characters, as well as the degree of exaggeration in each tale.

If your child has trouble reading the story, click the dot to the left of the paragraph to hear the entire paragraph read aloud. Then ask him or her to try reading the story again.

Far-Fetched Frontier Tales

As Adelita and Bo travel across the country, your child will help them decide where to go and what to do. Have your child:

- click the **right-pointing arrow** in the rectangular picture frame to begin the story
- click the **question mark** to hear directions
- click one of the **small arrows** in the rectangular picture frame on the story's opening screen to select Adelita's size in the story; the taller Adelita is, the taller the tale becomes
- click the **left-pointing arrow** to go back a page, or click the **right-pointing arrow** to go forward a page
- click one of the **story options** when asked to make a choice about the story; then click the **right-pointing arrow** to continue
- click any **word** throughout the book to hear it read aloud
- read the story aloud

Encourage your child to go through the book repeatedly, making different selections each time, to see how his or her choices affect the direction of the story. Encourage your child to make predictions about the story. There are hundreds of story possibilities within *Far-Fetched Frontier Tales*.

Extending the Learning Experience

Family Activities

Storytelling Time

Engage your child's imagination by asking him or her to make up an original tall tale about Adelita and Bo and relate it aloud, using dramatic expression and gestures.

Family History

Discovering his or her own family history can be an entertaining learning experience for your child. Explain to your child what you know about how your family came to America, where they lived, and what they did.

Fun with Food

Adelita gets creative with apples in Washington and potatoes in Idaho. With your child, find a locally grown food that you can use to make a tasty treat (for example, blueberry pancakes, pumpkin cookies, or peach jam).

Guessing Game

Tell your child a story about something that happened to you today, using exaggeration to enhance the story. Ask him or her to guess which parts of the story you exaggerated. Then encourage your child to tell you an exaggerated story.
