HITMAN: CONTRACTS

Hitman: Contracts takes you deep into the mind of Agent 47. Enter a world of crime, sin and greed. Encounter his greatest adversaries, completing the work that made him so ruthlessly efficient and deadly precise, the ones that shaped him as an assassin. Understand, nothing counts except the target. Anyone can kill, but can they make the perfect hit? Take on the role of 47 and do what you must to get the job done, because in a professional Hitman's hands everything becomes a weapon.
