

THE MAGIC SWORD

Once upon a time the wicked witch, Bad Bertha, locked Princess Poppy in a high tower in the White Castle and then she threw the key away. Prince Fred the Magnificent tried to rescue Princess Poppy but the witch Bad Bertha stole his sword, and cast a spell on him.

You have to find Prince Fred, and then help him to rescue Princess Poppy by collecting Bad Bertha's magic objects to stop her casting any more nasty spells.

PRESS SPACE

Use these letters for your moves:

U	-	UP
D	-	DOWN
G	-	GET an object
I	-	INVENTORY to show what you are carrying
M	-	MOVES made so far
N	-	NORTH
S	-	SOUTH
E	-	EAST
W	-	WEST

If you have a joystick then you can use it to show in which direction you wish to move. Use the FIRE button for GET. (You must still press U for UP and D for DOWN).

PRESS SPACE

[	N	]
W	+	E
[	S	]

If you want to save your game press R
for RECORD.

If you want to load a saved game press
L for LOAD.

A compass, like the one below, will
always show you the four directions.

The ones which you are allowed to move
in will flash.

Remember, you can also press:

U,D,G,I,M,L, or R.

Can you remember what to do?

(Press Y or N)
