

## DRAGON'S HIDEAWAY

The roar of the dragon screeches through the night sky like some primeval beast in agony. The townspeople cower behind closed doors, awaiting the destruction, the devastation to follow. The dragon roars overhead, its wings beating a hideous toll of nightmarish hell, as he lays waste to houses with his scorched, fiery breath.

You must destroy the monster, and not only that, but its reptilian eggs, and its very home, a hellish maze-like cave in the bowels of a mountain maze  
Dragon's Hideaway-a game of high fantasy and adventure.

### PLAYING/SCORING

The object is to gather all the dragons eggs. When these are all gathered, man must destroy dragon's lair and the dragon. This must be done before time runs out. Then the player must escape out of the maze by utilizing the exit at the upper left corner.

Player wins by accumulating points;

100 pionts ea. egg  
1000 points ea. dragon  
500 points ea. dragons lair  
10 points for ea. second left at end of round.  
The higher the level the more eggs there are.
