 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.

...step up to the challenge!

Characters

DRAKE PARKER

Special Ability: Charm

Laid-back and cool, girls can't resist Drake, and he knows it. He can use his guitar skills to charm girls into following him around, then make them do all the tough work for him.

JOSH NICHOLS

Special Ability: Grab/Release Object

Josh is a good student and a proud Assistant Manager of The Premiere. Where Drake gets by on charm, Josh has to use his wits, moving boxes and other objects around to solve puzzles to get what he wants.

MEGAN PARKER

An expert at pulling the dirtiest tricks and coming out smelling like roses, Megan will stop at nothing to make trouble for her brothers.

Challenges

Don't tell Drake, but sometimes life takes effort. To succeed at certain tricky tasks like charming a girl, you'll have to complete a Challenge. When this happens, everything will stop and a series of commands will appear on screen. Quickly press the corresponding buttons in the order shown to show off your skills and complete the Challenge. Watch out, though! If you're too slow or press the wrong button, things won't go so well.

Enemies

HALL MONITORS

They're in charge of keeping students from wandering around school without permission. Unless you have their color Hall Pass, you'd better stay out of their sight.

SCHOOL JANITORS

They keep the school clean, and they don't appreciate you dirtying it up again. Their buckets create water puddles, and if one sees you he'll use his mop to chase you away from the area he is working.

ANGRY BOYFRIENDS

Drake's way with the ladies has made him a lot of enemies. And being Drake's stepbrother has helped Josh make a few enemies himself! Make sure they don't catch up to you.

FOOTBALL PLAYERS

Drake's good at playing the guitar, and he loves to show it off. These guys are the same way, except what they're good at is tackling. Step out of the way when they charge to avoid getting sacked.

LOVE-STRUCK FANS

Drake likes girls, but some of them take it too far. If one of these girls comes after you, run and hide to shake her off your tail.

Objects & Obstacles

GUIDING STAR

These stars are around to give Drake and Josh tips, or teach them something new. Touch a star and press the A Button to read what it has to say.

SECURITY CAMERAS

Sometimes, you don't want the extra publicity. Stay out of a camera's field of vision to avoid getting caught on tape.

SWITCHES

Press switches to open doors. Some doors require you to press multiple switches, or to use something heavy to keep a switch pressed.

LITTER

There's no time for the boys (okay, Josh) to clean this mess up right now, so they'll have to walk around it or sneak through if they don't want to make noise.

WAXED FLOOR

Waxed floors are super-slippery. If you're not careful, it's easy to lose control.

KEYS AND HALL PASSES

Find these items to access new areas.

HEAVY BOX

Josh can push these boxes short distances.

LIGHT BOX

Josh can pick these boxes up and carry them around.

AND MORE...

That's not everything Drake and Josh will run into along the way. Make sure to check Guiding Stars for the lowdown on new enemies, objects, and obstacles.
