WARNING: PHOTSENSITIVITY/EPILEPSY/SEIZURES

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing. IMMEDIATELY DISCONTINUE use and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- | | | | |
|------------------|--------------------------|------------------|----------------------------|
| • dizziness | • eye or muscle twitches | • disorientation | • any involuntary movement |
| • altered vision | • loss of awareness | • seizures | or convulsion |

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

NOTICE:

Use caution when using the DUALSHOCK®3 wireless controller's motion sensor function. When using the DUALSHOCK®3 wireless controller's motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PS3™ FORMAT DISC:

- Do not bend it, crush it or submerge it in liquids.
 - Do not leave it in direct sunlight or near a radiator or other source of heat.
 - Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.
- Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

EARNING TURBO

Earning and using turbo is the best way to compete at the highest level. There are several ways to earn turbo:

- Collect turbo cans.
- Race along turbo strips:
 - **Drift Strips:** Drift over the top of these strips to quickly earn turbo.
 - **2-Wheel Driving Strips:** Drive on 2 wheels over the top of these strips to quickly earn turbo.
 - **Backward Driving Strips:** Drive backward over the top of these strips to quickly earn turbo.
- Perform flips, spins, and other Air Tricks.
- Side Bash competitors.
- Hop over or break through objects along the track that are marked with blue and white stripes.

USING TURBO

Turbo boosts temporarily increase a racer's top speed. The turbo meter directly below the character indicates how much turbo is available and is divided into 4 sections. The sections fill up as the player does things to earn turbo. When a section is full, the player has earned a turbo. The player can have a maximum of 4 turbos at a time. A player can use a turbo by pressing the **TURBO** action button on the controller.

IN THE ZONE

If all 4 sections of the turbo meter are full, quickly press the **TURBO** action button twice to go "IN THE ZONE." Going "IN THE ZONE" does the following:

- Gives the racer an extended speed boost.
- Makes the racer invulnerable to weapons.
- Allows the racer to knock other cars out of the way by colliding with them.

EVENTS

- **Race:** Compete against the best of the best. The rules are simple! The first one across the finish line wins.
- **Battle Race:** Spice up the racing experience with some awesome "simulated" mayhem. Collect and use a variety of weapons to ensure your first place finish.
- **Takedown:** Collect and use a variety of weapons to eliminate as many Crash Karts as possible. Points are awarded for eliminating Crash Karts, and when time runs out, the racer with the most points wins.
- **Stunt Showcase:** It's all about doing tricks in the air! Race off of ramps to catch air and perform as many tricks as possible before time runs out. Points are awarded for successful tricks and safe landings, and when time runs out, the racer with the most points wins.
- **Best Lap Challenge:** Race against your own best time as you attempt to set a new track record!
- **Master-Level Events:** Complete Skill Checks on the Hall of Fame screen to unlock Master-Level Events. These events feature an expert who's ready to challenge you and test your skills against the best of the best.
- **Playground:** The Playground is an area where players can go enjoy racing, performing stunts, and engaging in challenges, or they can simply drive around for fun. There are no rules, so players are free to choose their own pace.
- **Hall of Fame:** Visit the Hall of Fame screen often to review your progress. Earn and unlock new items for completing Skill Checks in a variety of categories, including stunt driving, Air Tricks, track antics, and more. The road to becoming a Hall of Fame Driver starts here!
