

TOURING CAR RACER

ST/AMIGA

Loading:-

Insert disk into drive and with on machine.

Program will load and run.

To start game from title pages press SPACE (ST) OR FIRE (AMIGA).

Use the joystick to select the type of of car you wish to drive, the track on which you wish to race, number of laps and whether you want to practice, race or

compete for a season (all tracks).

During the race use joystick left/right to steer, forward to accelerate, back to brake and fire to change gear (change up with stick forward, down with stick back).

At the end of the race if you have qualified for the high score table enter your name by typing it from the keyboard and pressing Return.
