SOLID STATE CARTRIDGE

FOR USE WITH THE TEXAS INSTRUMENTS TI-99/4A HOME COMPUTER.

DRIVING DEMON™

INSTRUCTIONS

1. Follow manufacturer's instructions for setting up your Texas Instruments TI-99/4A Home Computer.
2. BE SURE ALPHA LOCK KEY IS IN UP POSITION!
3. *Object*: Drive as far as you can before you run out of cars or time.
4. Use joystick to control car. Up increases speed. Down decreases speed. Right moves car right and left moves car left. Use fire button to shift up to next gear. Car automatically downshifts when speed is decreased.
5. Crashes occur when car goes off road, collides with another vehicle, hits oil slick, or stays in red tachometer area too long and blows engine.
6. *Features*: Long range scan shows position of obstacle cars as you approach them from behind. Warning signal tells of upcoming oil slick. 3 second bonus awarded for each car passed. Space bar pauses.
7. *Game end*: 5 crashes or time runs out.

90-DAY LIMITED WARRANTY

Funware, Inc. warrants to the original consumer purchaser of this Funware solid state cartridge that the product will be free from defects in material or workmanship for a period of 90 days from the date of purchase. If defective, return the product, along with proof of the date-of-purchase, postage prepaid to: Funware, Inc., 405 N. Bowser, Bldg. A, Richardson, TX 75081, for repair or replacement. This warranty shall not be applicable if the defect in the cartridge has arisen through accident, misuse or abuse. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

In no event will Funware be liable for any special, incidental, or consequential damage resulting from possesion, use or malfunction of this cartridge.

The Wired Remote Controllers are required to play this game.
